## Assignment No. 1

**SCENARIO:** Examine the following statements related to a Private Hospital Network. Determine which statement aligns with the indicated strategic management concepts:

1. Vision statement
2. Mission statement
3. Internal Factors

- 4. External Factors
- 5. Values
- 6. Policies
- 7. Long-term Goals
- 8. Short-term Goals
- 9. Strategies
- 10. Strategic Evaluation

| Statements                                                                                                                                                                           | Answer                   |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| “Our healthcare professionals exhibit exceptional skill, empathy, and resilience, supported by continuous learning and evidence-based practices.”                                    | 3. Internal Factors      |
| “We plan to expand our telemedicine platform, introduce AI-supported diagnostics, and collaborate with biotech firms to enhance treatment precision.”                                | 9. Strategies            |
| “By 2035, we aim to establish ourselves as the regional leader in digital healthcare, providing seamless, proactive, and analytics-driven medical services.”                         | 7. Long-term Goals       |
| “In the next twelve months, we plan to expand virtual consultation utilization by 35% and implement predictive analytics to elevate precision and efficiency in patient management.” | 8. Short-term Goals      |
| “Ongoing regulatory evolution, innovation in medical technology, and increasing consumer inclination toward virtual health solutions are redefining the healthcare sector.”          | 4. External Factors      |
| “To redefine healthcare delivery by advancing personalized medicine and ensuring accessible, high-quality care for every community we serve.”                                        | 2. Mission statement     |
| “In the past year, we achieved a 15% rise in patient satisfaction, reduced emergency wait times by 25%, and successfully launched our new patient monitoring app.”                   | 10. Strategic Evaluation |
| “Our organization is rooted in compassion, accountability, teamwork, and innovation, which guide our clinical and operational excellence.”                                           | 5. Values                |
| “All staff must adhere to our patient confidentiality protocols, comply with medical safety standards, and maintain zero tolerance for ethical violations.                           | 6. Policies              |
| “We are committed to providing patient-centered, technology-enabled healthcare solutions that improve lives and foster community well-being.”                                        | 1. Vision statement      |
